

Your Child is Not Behind

Where does your child fit in the age range of their classmates: one of the oldest, one of the youngest, or somewhere in the middle?

Have you ever felt like your child was falling behind in school? How did you handle it?

What are your child's areas of strength?

Which subjects are more of a struggle?

What are some ways that you can slow down when you feel your child is having a hard time learning the material?
